The kitchengroup has introduced new **300mm Curved Base and Wall Units** into its K Kitchens Collection, available on selected furniture ranges – the Keswick and Knightsbridge kitchens, as pictured above.

Available exclusively through the PJH Group, the new curved units offer a highly stylish solution for creating individual kitchens with design-led appeal and added interest.

The curved units and doors, available as base or wall units, are perfect for teaming up with each other for a coordinated balance between floor and wall. The new units are also joined with a new curved plinth, cornice and pelmet.

These new units are also featured in the new PJH Group “Essential Guide to Kitchens & Appliances” (Issue 9). This comprehensive trade catalogue is now available, featuring the latest Spring/Summer ranges from the PJH Group. It includes own-brands, K Kitchens, Prima Kitchens and Prima Appliances, as well as a large choice of the latest collections from other leading appliance, sink and tap brands, such as Whirlpool, Bosch, Gorenje and Astracast. Fully priced, illustrated and user-friendly, the trade guide details all new 2009 products, as well as the introduction of two new brands, Franke and Abode.
